

ST ALBANS at Christmas

The perfect city destination for groups looking for an alternative, more boutique-style, European Christmas Market. The tour starts in the morning, with a festive 12 Days of Christmas tour of St Albans Cathedral, followed by a mince pie and mulled wine in the Abbot's Kitchen.

The group is then free to explore the festive delights of the Christmas Market, located in the pretty walled Vintry Garden in the grounds of the Cathedral. After lunch, explore the city with a fascinating Historic St Albans – A City Revealed tour before heading back to the Christmas Market to enjoy a glass of glühwein.

You could swap the itinerary to suit, with the city tour in the morning and the Cathedral tour after lunch. Let us know what itinerary suits your group and we'll send you full details and a quote.
